

Friday 13:10 – 14:40		A OG 269
21.8.26	exam preparation	
28.8.26	exam combustion engines	
4.9.26	charges, conductors and insulators, polarization, electrostatic induction, electroscope Coulomb's law	game sports day
11.9.26	charges, conductors and insulators, polarization, electrostatic induction, electroscope Coulomb's law	game sports day (reserve date)
18.9.26	electric field electric field strength	game sports day (reserve date)
----- 19.9.26 – 18.10.26 ----- study week and fall break -----		
23.10.26	exam preparation	
30.10.26	exam voltage	
6.11.26	----- Tutoring day -----	
13.11.26	----- Theater with Martina Emery ----- open house for secondary school students	
20.11.26	voltage and electric field strength Magnets	open house for secondary school students
27.11.26	Electric circuits, electric current, voltage electric resistance, Ohm's law	
4.12.26	exam preparation	
11.12.26	exam measuring electric current and voltage	
18.12.26	electric power and energy, cost of electric energy efficiency (reminder/repetition)	8:00 hand in grades 7.1.2027 conference for promotions 16:00
----- 24.12.26 – 6.1.27 ----- Christmas break -----
